MHI Lagoons 03102017.xlsx

Mike,

Attached is the raw data for the 8 lagoons. For the summary tab, look at **columns S and U** for the formulas. Please note that the cost estimates in this spreadsheet differ slightly from the more current set of raw data that I gave you this morning. I would use the data from this morning's spreadsheet and apply the formula in this spreadsheet.

Sorry for all the complications and delays in getting this to you.

Tina
